Annex 2: Explanation of the voting method for the election of directors, independent directors and supervisors using the cumulative voting

- I. At the general meeting, the election of director candidates, independent director candidates, and supervisor candidates is organized into separate proposal groups, each identified by a unique number. Investors are required to cast their votes for every candidate within each proposal group.
- II. The number of declared shares represents the number of votes available for casting. For each proposal group, each share held by a shareholder has a total number of votes equal to the number of directors or supervisors to be elected under that

4.00, titled *Proposal on election of directors*; 200 votes on Proposal 5.00, titled *Proposal on election of independent directors*
